

CABLE JOINTER

A position exists for a qualified and experienced Cable Jointer at our Tahmoor depot to work on 11/22kv underground projects within the Endeavour Energy franchise area.

The successful applicant must have:

- A positive and healthy disposition
- An ability and desire to be part of a team
- A positive and safe work ethic
- A current NSW drivers licence
- An OH&S Construction Safety Card

Preference will be given to cable jointers experienced in both underground and overhead jointing applications, including substations and STJ's for both high voltage and low voltage applications, who ideally hold:

- Current MR Driver's Licence
- Workcover tickets (EWP, Forklift)
- Access Permit Receiver
- Endeavour Energy authorisation

Remuneration is based on an Enterprise Agreement with ample opportunity for overtime.
